Member-to-Member Opportunity Calling!

Do you have a business that has benefitted, or could benefit from referrals by other Members? Do you pay commissions or fees for referrals, or have you considered doing so? If you've answered "yes" to these questions, then you'll want to contribute to our new "Member-to-Member Opportunity Program".

As part of our commitment to being the ***premier business engine in Southern California***, NAWBO-OC is building a database of Member-to-Member Opportunities. We ask all interested Members to submit their Opportunities for inclusion. We'll then post a Member-to-Member Opportunities Wall on our website and/or within one or several of the NAWBO-OC social networking communities. And of course we'll publish our inaugural Opportunities in the E-News.

The first step is to quickly identify these Member-to-Member Opportunities. Simply fill out the attached form, and return it by e-mail or fax to our Administrative office: admin@nawbo-oc.org or 714-632-5405. As soon as we have five or more qualified Opportunities, we'll publicize them. And may the referrals begin!

Qualified Member-to-Member Opportunities shall be defined as: (a) submitted by a NAWBO-OC Member in good-standing, (b) requiring no specialized expertise or training, (c) with no buy-in or purchase requirement, and (d) exclusive of all part-time or full-time employment opportunities.

Once our initial Member-to-Member Opportunities are up and running, we'll refine our processes and website functionality surrounding submissions, responses and self-postings. Stay tuned. And, thanks for participating in this exciting new way to fuel your company's growth while helping fellow NAWBO Members.
